[18] The only time the NWT capitalizes Spirit are the two occurrences here, in bold, 2 Corinthians 3:17, 18. For the purposes of this study, only 2 Cor 3:18 is counted as a variant, however, since 2 Cor 3:17 agrees with the KJV, NASB and NIV.

[19] The verse reads: *They kept on investigating what particular season or what sort of [season] the spirit in them was indicating concerning Christ...* (NWT) The NWT reading is extremely awkward here, though it is clarified as "the spirit of Christ" in the footnote.

[20] This verse is extremely unnatural and awkward in the NWT compared to the Greek.
